GRANDPA

Baba is playing to

I originally intended for this character to be children, but something along the way he became a narrative character.

I suppose that when he was younger, he traveled the world to learn various stories.

He has an air about him; he still keeps a modest smile.

BUT I'M JUST
A COMMONER.

BUT I
HAVE BEEN
SELECTED
IN THE
PAST.

NO... I DO
WANT TO
GIVE HER
A LOT OF
THINGS.

I
DON'T
NEED
IT.

AN HOUR
LET YOU
SEND A
MESSAGE
TO DEMON
KING...

LET'S
TALK
ABOUT
LATER.

COME
TO THINK
ABOUT IT.

I DON'T
SUPPOSE
YOUR MAJESTY
SCOURING A
LOT OF MONEY
ON ALCOHOL.

EH?

THANK
YOU,
SHIRI.

THESE
THINGS
ARE
UNUSUAL
FOR DEMON.

COMPANION IS
TOUGH.

WANTED TO
SEE THEM LAST
MOMENT, RIGHT?

IT MUST
BE HARD
ALONE
REALLY?

AT LEAST I
CAN BE
DEPENDABLE.

HUGE
LOSSES!

STOP
PRETENDING!

MAY...

MAY I ASK
WHY THESE
UNKNOWN
BROTHERS ARE
LOOKING FOR
ME?

CHAPTER 9

This is the chapter where everyone goes shooting together. Because the content of the story is starting to look like an income source, so I just went with it.

This chapter had a part where Kourue was kidnapping. I'm actually quite good at kidnapping too. When I am nervous for execution and I have no money, I kidnap a lot too. There was even when I was in London. I saw this girl who managed to kidnap a brand of a relatively low price.

Because she offered too low a price, the girl got badly repulsed by this other lady who was probably her mother. I felt sorry for the girl.

His
expression
looks
sorrowful.

Rascal.

Are you
prepared?

Afterwards,
if we sit down
together and
have some tea
and a good
chat...

Of
course.

Will
beating
me up
appease
your
anger?

Because
you
dum-fritted
nobles are
my main
customers.

What
to
do?

Did I do
something?

In any
case, I have
to come
back
quickly.

GRAB

Gekken

I'm ignoring their ages.
I just want to draw
everyone in school
uniforms

Mikadon

I changed their hairstyles a
little but can everyone still
guess who are they?

no

Shinon

I'm not
carrying
that!

POTATO CHIPS AND ME

Recently,
I like
making
potato
chips
using the
microwave
oven.

I love
eating
salty
food

Season it
to your
taste.
I usually
add salt,
but
sometimes
I would add
some
butter
oil.

Before using a
slicer, I used to use
a vegetable knife
to cut the potato.

Cut the
potato
into
thin
slices

I microwave at 1000
watts for 3-5 minutes

Place the
potato
slices on a paper
sheet and
put it
into the
microwave
oven.

Increase
or
decrease
the time
accordingly

Even though it is now fried,
it's still very crispy and delicious!

Devoted to
restoring the
world...
Well...

The
world
used to
use the
microwave

But I
have
made
some of
the best
and best
than any
salty food.
